2.4 Directors' responsibility statement

The Board of Directors' takes the responsibility for the presentation of these financial statements.

2.5 Use of estimates and judgments

The preparation of financial statements in conformity with International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses. It also requires disclosures of contingent assets and liabilities at the date of the financial statements.

The most critical estimates and judgments are applied to the following:

- * Provision for impairment of loans, leases and investments
- * Gratuity
- * Useful life of depreciable assets

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these

However, the estimates and underlying assumptions are reviewed on an ongoing basis and the revision is recognised in the period in which the estimates are revised. In accordance with the guidelines as prescribed by IAS 37: "Provisions, Contingent Liabilities and Contingent Assets", provisions are recognized in the following situations:

Provisions

Provisions are liabilities that are uncertain in timing or amount. Provisions are recongnized when the Group has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated.

Interest is recognized as and when it is accrued. Lease interest outstanding over 2 months are recognized as interest suspense and not as revenue. Fee based income and delinquent charges from lease operations are accounted for on cash basis.

2.6 Separate Books of Accounts

The company maintains separate office and books of accounts for its subsidiary as required under the regulations of Bangladesh Securities and Exchange Commission.

2.7 Investment in securities

Investment in marketable ordinary shares has been shown at cost or market price, whichever is lower, on an aggregate portfolio basis. Investment in non-marketable shares has been valued at cost or intrinsic value whichever is lower. Full provision for diminution in value of shares as on closing of the period on an aggregate portfolio basis is made in the financial statements as required by Bangladesh Bank DFIM circular No. 02 dated January 31, 2012.

2.8 Borrowing Costs

Borrowing costs are recognized as expenses in the period in which those are incurred in accordance with benchmark treatment of IAS 23.

2.9 Revenue Recognition

As per IAS 18, revenue is recognized when it is expected that the economic benefits associated with the transaction will flow to Company and the amount of revenue and the cost incurred or to be incurred in respect of the transaction can be measured reliably.

2.9.1 Lease Financing

Interest is recognized as and when it is accrued. Lease interest outstanding over 2 months are recognized as interest suspense and not as revenue. Fee based income and delinquent charges from lease operations are accounted for on cash basis.

2.9.2 Interest on Direct Finance

Interest on term finance is recognized when interest is accrued. No interest on loan is accounted for as revenue where any portion of capital or interest is in arrear for more than 2 months. Fee based income and delinquent charges from loan operations are accounted for on cash basis.

2.10 Changes in significant accounting policies - IFRS 16 Leases As a Lessee
